- **Flexible Payment Plans:** Customizable plans to settle overdue balances affordably.
- **Amnesty Period:** October 1, 2025 to October 31, 2025. Don't miss this opportunity!

Who Qualifies?

- Residential or commercial accounts with delinquent water bills as of September 1, 2025.
- Accounts that enroll during the amnesty period.
- Act by October 31, 2025: After this period, standard penalties and collection procedures will resume.

Why Participate?

- Avoid service interruptions or further penalties.
- Restore peace of mind and financial stability
- Contribute to the sustainability of our water system for everyone.
- Let's work together to keep water flowing fairly and compassionately.
